

President's Message

Welcome to probably the busiest and most important year in current LWV history. We will have plenty of things to work on and hopefully can get our both our existing and our new members focused on working on them. Jacqui will need many volunteers for voter registration assistance as well as a large number of candidate forums. Linda Bjella and Shirley Strange have volunteered to work on the Census committee with Outagamie County which may include the need for volunteers from LWV. We continue with our centennial celebration which will also need volunteers. We are also hosting the state annual convention for which we will need volunteers. In addition, LWV-US has set a goal of 600 local Leagues participating in the Women Power the Vote Day of Action to celebrate our 100th anniversary on February 14. This may also be a good chance to get some of our new members more involved and educated about the power of the League of Women Voters. Thanks to everyone on the Board for all of your hard work over the past year and buckle your seatbelts because I think next year is going to be an even more wild ride!
